Community Disc Golf Day, Benefiting CASA of the Continental Divide Disc Golf Sponsorship Opportunities

Help Us Change the Lives of Children in Our Community!

When: Sunday, September 8, 2024

Where: Disc Golf Course at Colorado Mountain College in Leadville

Time: 10am-3pm

Charity: CASA of the Continental Divide, learn more at www.mtncasa.org

Our mission: *CASA of the Continental Divide guides volunteer advocates who ensure a child's safety, best interest and well-being are at the forefront of legal proceedings.*

Why: Please consider being a part of our first community disc golf day! Our community needs your support, not only to help us keep our advertisements local, but to share and raise awareness of the work CASA of the Continental Divide (CASACD) does by serving children and families in Lake County. This event is inclusive and we invite all to participate by enjoying a beautiful day playing disc golf while learning more about CASACD. Your support means so much to us as we continue to advocate for child victims of abuse and neglect and students experiencing barriers to their education resulting in truancy. All proceeds go towards benefiting CASACD, allowing us to continue recruiting volunteer advocates who make a commitment to children in need and a huge impact on their future to thrive.

***What do you get?:** Your sponsorship/donation, no matter what size or amount will include your logo and mention as an event partner in advertisements; on any event signage, flyers, social media posts, and on our website to show our gratitude for your support! We Thank You!

If you have any questions, please contact Lori at Lori.Engels@mtncasa.org
